Date of Next Meeting: September, 2017 (tentative)

Action Items "still in the works": **Still in the planning stage**

Creating an "Official's News Letter", similar to USA Swimming's in where upcoming events, meets, information is noted. This newsletter would be emailed to all of Pacific Swimming's Officials as well as posted on the website. Review and update all information on the Pacific Swimming's "Official's" page on the website. The Official's Committee will also be creating a page for "responsibilities" for the various positions as well as protocols for certain situations. **Questions have come up regarding the responsibilities of the various officiating positions, and if the responsibilities change based on the Meet level. The Official's Committee will work towards clarification and send to all of the Zone Official's Chairs to share within their Zones.**

Action Items Completed:

At our Official's Committee meeting, we went through most of the 2017-2018 Swim calendar and assigned positions to each meet based on the application requests sent in by Officials. Meet Directors will be able to pull up the Assigned positions for the 2017-2018 Meet Calendar to see who is scheduled to be the Meet Referee, Head Starter, and Admin. Referee / Admin. Official. **Additional positions have been filled and Diana Fetterman continues to put up with my updates to the Meet Assignments list.**

Announcements:

We will have a Pacific Swimming Official as the Assistant Meet Referee for the Western Senior Zone as well as the Team Lead Chief Judge. We will be promote attendance at the Western Zone Meets in the future as well as the Future's Meets in California.
