

Motion 1709TR3

Motion to remove the requirement that athletes must have achieved the Juniors short course time standard to qualify for the "Pro Swim Series" type meet. In addition to this clarification the amount of the travel support will be listed.

"Pro Swim Series" level meets:

- Travel support is \$300.
- Meets **shall** be approved as "Pro Swim Series" meets by the Senior Committee. **i.e. highly competitive National Level meets with standards at or near the Junior short course time standard.**
- ~~Athletes must have achieved a current USA Swimming Junior or Senior National short course time standard to be eligible for travel support. The standard may be achieved at the meet.~~
- Travel support for each athlete is limited to one (1) "Pro Swim Series" type meet per swim year (September-August).
- The Pro Swim Series meet at Santa Clara is **NOT** an approved meet for travel support.
- Travel Support will be available to one coach provided the club has not met the maximum allowed per year.

Intent: The clarification notes the amount of travel support available and the types of meets that would be considered by the Senior Committee for travel support.
