## 2019 CLUB EXCELLENCE PROGRAM INFORMATION & REQUIREMENTS

Following are the club eligibility, athlete eligibility, time standard and performance requirements for the 2019 Club Excellence program.

### Club Scoring and Eligibility

- A. **Recognition Levels** - Clubs may qualify for one of three levels of recognition:
1. **Gold:** The top 20 point-scoring clubs. At least one 18 & Under athlete from the club must achieve a Gold time standard.
  2. **Silver:** Clubs not achieving Gold status through #100. At least one 18 & Under athlete must achieve the Silver time standard.
  3. **Bronze:** Clubs ranked #101 through #200 and/or not achieving Gold or Silver status. At least one 18 & Under athlete must achieve the Bronze time standard.

- B. **Performance Scoring** - Every club that submits an application and a completed Online Meet Entry, will be ranked according to the Performance Scoring component of the program. Scoring is based on the FINA Points Table, a power point rating system that assigns point values to swimming performances. In order to be eligible to score points, athletes must achieve a Gold, Silver or Bronze standard as shown in the chart on page 2. **Points for Gold swims will be multiplied by a factor of 2.0; points for Silver level swims will be increased by a factor of 1.5.** All performances must be long course meters; no conversions accepted.
- C. **Medal Status** – Medal recognition and status is for one year only, through 12/31/2019. See “Rules for Promoting Club Excellence Achievements” on page 3.
- D. All clubs applying for the 2019 Club Excellence program must have successfully completed at least Level 1 of the Club Recognition Program.

### Athlete Eligibility Requirements

- C. **US Citizen** - Athletes must be U.S. citizens who are eligible to represent the USA in international competition.

### **Rules for Promoting Club Excellence Achievements**

- A. Clubs earn recognition as a USA Swimming Gold, Silver, or Bronze Medal Club for a 1-year period. This recognition includes a vinyl 4' x 6' team banner and a results announcement on the USA-S website and on social media.
- B. Clubs may use the USA Swimming Gold, Silver, or Bronze Medal Club designation and logo through December 31 of the program year, on the club website, social media, club advertising and promotional materials, team letterhead, and team apparel.
- C. After the 1-year period, clubs may make ongoing use of vinyl team banner(s) and Club Excellence logo(s) on a club webpage or rotating banner specifically featuring current and past team accomplishments. All use of a Club Excellence logo must reflect the correct year and recognition level (Gold, Silver or Bronze) based on these rules.
- D. By submitting the application for Club Excellence recognition, the club acknowledges these rules and agrees to abide by them. Failure to comply will result in a review of the club's future eligibility to participate in the program.

The Club Excellence program is designed to be a competitive contest between USA Swimming clubs whereby teams earn (and re-earn) their ranking each year. Every year produces a different group of clubs that earn exclusive benefits. In order to protect the integrity of this competition, it is important that clubs follow the stated promotional guidelines and annually update their website with the logo earned that calendar year.
